

MAXIMUS ROUTE (a loop of approximately 11.7 miles) the total ride length 41.7 miles

This optional extension to the Gladiator route of the Roman Challenge is approximately 11.7 miles in length. It circles Milton Keynes in an anti-clockwise direction and follows the 'Millennium Circular Ride' (parts are also sign posted as National Cycle Network Routes 6 and 51). The Millennium Circular Ride (highlighted in yellow on this map) can be ridden completely on a hard tarmac surface by following the red 'Millennium Circular Ride' sign posts on the Redways and Leisure Routes, alternatively you may prefer to seek out the extensive bridledways. For much of the route an alternative bridledway route runs adjacent to the hard surfaced route and these bridledways have been indicated on this map by a black dotted line ----- The Gladiator route (and therefore the entry and exit points to the Maximus Route) is indicated on this map by a purple line.
